

CHERRY ISLAND SOCCER COMPLEX WEATHER NUMBER

To all users of Cherry Island, Phone: 916 484-5654 will be the number to call for Cherry Island field availability due to weather. If a message is not posted call:

1. Mark Lloret 916 752-2679
2. If a tournament, contact Tournament Director.
3. Parks Ranger Dispatch # 875-6672 (security problems)

Conveners, if your tournament is canceled & you want to reschedule your tournament, please follow instructions in your Tournament instruction book, given to you by C.Y.S.A. As much as we would like for your tournament to be played, I must consider maintaining field conditions throughout the year. Cherry Island hosts many tournaments & league play throughout the year. My job is to manage the facility, which may mean not allowing play based on present weather, past weather or field conditions. In the event we cancel your tournament play at Cherry Island all field rental fees & concession fees will be returned.

Security & field set up fee returns will need to be addressed with whomever you have hired to do the work

Thank You

Mark Lloret
