### At the meeting, fill in the following after you have selected the Division Coordinator for your division:

- DIVISION COORDINATOR NAME: \_\_\_\_\_
- DIV COORD PHONE NUMBER: \_\_\_\_\_
- DIV COORD E-MAIL ADDRESS: \_\_\_\_\_

### Rules and Responsibilities:

- **Rules of Play and PAD Procedures** shall be as specified by CYSA, District 6 policy, **and** as modified by any CPL specific rules listed below. District 6 PAD procedures are on the District 6 website.
- **Coaches** shall determine divisional seeding and select Division Coordinators at the CPL meeting. Schedules will be created and posted on Team Sideline ([www.teamsideline.com/CPL](http://www.teamsideline.com/CPL)). **ALL** head coaches **must** have a current USYSA Coach's pass; a pass for your assistant coach is recommended. At least one coach with a valid Coach's pass **must** be present throughout each scheduled match.
- **Division Coordinators** shall provide the Scheduler with seeding info at the August coaches meeting, and may be asked to backup Team Sideline for the distribution of updates and info if necessary.
- **Home Team Coach shall:**
  - 1) Call the visiting coach by the prior Wednesday evening to confirm game time and provide directions.
  - 2) Ensure that the field is properly set up for play and provide (and also pay if required) all Referees for the match (usually three, subject to the policy of the League of the home team).
  - 3) Provide and properly fill out the game card. The home team coach shall handle the game card as per instructions from his/her club manager, or as specified by his/her League of residence.
- **All Coaches** are to respond to the Team Sideline scoring email to report the results of their match.
- **Re-scheduled games** shall retain their original home and away assignment unless **both** coaches agree to a change. If a match cannot be played as originally scheduled and/or as re-scheduled, it will be recorded as an **un-played** game. **There are NO forfeit matches.** Standings are kept **only** for seeding purposes. They will be maintained on the [www.teamsideline.com/CPL](http://www.teamsideline.com/CPL) website.
- **Send-offs (Red Cards)** that occur in CPL play shall be heard by the District PAD committee. The **home** team coach must ensure that the Referee knows that he/she is to forward the 24-hour report, game card, player or coach pass, and all other pertinent documentation to the District PAD Committee. The District PAD committee will normally hear and rule on the send-off(s) the following week. The CPL Scheduler **must** be notified of any send-off(s) **no later** than the day following the match at which they occurred.
- **Appeals and Incident Reports** are to be forwarded (by Coaches and/or Referees) to the League President of either the home or visiting team, or to the District PAD Chairman. They will be heard by the District Board or by a District delegated committee. The CPL Scheduler **must** be notified of any incident (non-send-off issue or problem) **no later** than the day following the match at which the incident occurred.

**Team Sideline for CPL: [www.teamsideline.com/cpl](http://www.teamsideline.com/cpl)**

If things go as planned in 2011, schedules and standings will be on the Team Sideline website that has been set up for CPL. After each game, you will be prompted via email to enter results and submit them. (Some coaches do so from their phone immediately following the game.) After both of the teams have submitted results (or two days after only one score) division standings will be updated. The Age Group Reps shall adjudicate any disputed scores.

**2011 Mid-Season (Oct 15-16) District Events (Tournaments) for U16s and U19s**
